Author's Words

People who get to know me often ask this. Is there an end to your duplicity. I too can see that I get weak toward nice people while to people I don't like, I am only satisfied after killing them twice. But to everyone I always want to remain an angel. I believe as long as the economy is suffering, everyone's love for manhwa will continue.

special thanks to Han for translating this page!!

A REMINDER: THIS IS MANHWA, WHICH READS LEFT TO RIGHT.

Are you watching the news...and crying?
sniff
sniff
sniff
it's just so sad~

There's a grandma out there with her house flooded and only the front door remaining~
Cases where an entire family died due to this recent flood!

Without a doubt, you really are like our little angelic figurine.
It really suits you..
oh yeah, we got a call from the victimized families of this flood.

Does the pastor know about this? He went to America on a missionary..
Never even calls
This world is already at peace.. why would he..?

In any case...
they did call us to help those families.
Huh, what a coincidence, I was about to volunteer anyway..
The streets have closed, and massive traffic congestions are taking place.
Where are you calling?

..uh, I think I'll sign up as a volunteer..
GRAB
Hey.. the pastor asked us to bring his niece back, a victim of the Flood.
WHAT?
The pastor has a niece who went through that tragedy?
Yeah.. his younger sibling had a daughter. Since the three of us are busy, he wants you to bring her back.

Why me though?
You're the one with plenty of free time.
Hwe Yun is busy with community service ..
WHAT? How is it that you three are busier then ME?
And since it's a girl, can we REALLY send Yo Hen?

HTTP://HWANGMIRI.TK/

He said that they're holding her at the shelter.
but that's like leaving a girl in the hands of the Rolling Stones.
Eh, what do you mean by "The Rolling Stones?"
Kid, go read more about it in the article.
In an English news article, it was quoted, "When you send your daughters to a Rolling Stones concert, it is like taking away their virginity."
Hrm.. well, I guess that sounds about right.
Then tell me why YOU'RE not going.
You seem to have plenty of free time to flip through Entertainment and check for similarities between the Rolling Stones and Yohan
Well, as for me, I'm a prince~
Work like this is fit only for commoners
WANNA DIE?
hahaha~ you're the kindest, and healthiest of us all

Hey, Jil Nuh
Since I'm picking her up, I guess I get priority?
Well, there is truth in his words. that guy is pretty frail
the kid fell for it! kindness is your weak point
Don't compare me to you like that. I might try and do something funny with her... so please protect her.
By the time I come back, she'll already be my girlfriend... so don't go and regret later saying "I should've gone~" or the like.

Women all over Seoul look at me, shying away at my awesome beauty. Not a single woman exists who has been able to resist me. They completely fall head over heels at my beauty, and can never love another man again. Do you think a woman from the countryside is any different? My only concern is that she might rape ME with her overwhelming strength. Her eyes must be extra good as well, since she's from the country. Ahh, what to do!
Well, I prefer a Damsel in Distress.
I think that this guy's disillusioned... but he still hasn't realized it...
She IS a relative of the pastor
...I hardly doubt she would be a "damsel."

Gasp...! If she resembles the pastor in any way...
I have a sudden urge to not go...
What're you afraid of? I thought you put the healthy pickings above all other categories.
Of all of us, you match perfectly with the pastor's niece.
As a servant to run errands?
Oh no... I think something urgent came up.
Now . Are you trying to ignore a Damsel in Distress? She must be dying of fatigue.
think about it
탁!
GRAB
EEK
Are you saying you have something more urgent to do than helping this poor girl?

That kid...
Life would be much easier if everyone's like you.
I'll get her right away!
VROOM
He really is easy to control.
Since I won't be going... I called my driver to take you to her.
Okay, I got it! Thanks prince!

We went around this hilly mountain road so many times that my head is starting to feel dizzy...
VROOM

BUMP
BUMP
Sir... it seems to be this village, but due to the road
... it won't be possible to go any further by car...
Oh... is that so?
Then please wait here, I'll bring the lady back.

I wonder what she looks like?
Since she's from the country... she might be a bit sheltered.
Maybe she might look like this...?
No... she'll definitely be a bit more homely looking
Her personality is gonna be free and open like the nature I bet

Oh my... here and there...
It really is a mess due to the flood..
I can hear the sound of her wailing...
wahh
wahh
Better hurry up and look for her...

Now where did I hear the crying?
DOR!
sniff
sniff
That bitch...
Eh? So it must be...
No shoes...
I guess her shoes aren't down with the flood.
my age...it's just my image of the perfect country girl!

Ah, so you must be Kang Hu Reum? I'm Uen Mi Jae, here from Seoul to pick you up.
.....?
m....me....I...
Hey, don't be scared.
Hmm, do I look scary?
can't be, heh..

HTTP://HWANGMIDI.TK/

Please! PLEASE don't tell Hu Reum that I insulted her! She'll beat me to death!
And... what's this about being beaten to death?!
You... You're not Hu Reum?
휘익
SWISH
휙
SNAP
Wha...What the-! What's this!
KYAAA!

If you wanna live, get the hell out of my sight.
Th...Thank you!
hya, wha. what's going on?
As a going away gift from this hicksville, I'll let you live.
Close your mouth, you look retarded.

Could... Could it possibly be that you're Kang Hu Reum?
Why the hell were you so late?

I'LL TELL YOU ONCE...I HATE WAITING, SO DON'T MAKE A HABIT OF BEING LATE!
This...This can't be!
How can such a delicate being growing up in the country side with nature turn out to be this outrageous?!
...Where is the girl that I've been longing for deep inside my heart?!

CRACK
SHATTER
Red hair
I came all the way out here to Kang Won Do, in the middle of nowhere to help a victimized frail girl..
But this girl standing in front of me has hair that's blazing and needs a fire extinguisher.
With pierced ears too, not only one, but 3 or 5! Does she have issues with her ears..?

Shoes... no, high heels as high as the length of her feet.
And those pants! What are those hip-hop pants that she's wearing??
Where did the ideal lady-like image go, leaving this thug-like image radiating from her?
You.. you CAN'T be the girl I've been sent here to search for!

You, aren't you a student?
Regardless of school vacation, what's with that outfit you're wearing?
For a guy, you sure are a chatterbox.
Just take my luggage and lead the way.
If she really is the relative of the Pastor...there's no way that she can be...

Where'd you leave the car?
You couldn't possibly be suggesting that we WALK to Seoul?
SHUDDER
SHUDDER
YOU, WE JUST MET FOR THE FIRST TIME, YET YOU SPEAK AS IF I WAS INFERIOR, AND ORDER ME AROUND!
Well, you're not someone to respect, so why should I?

Wha..What do you mean by that?
To insult my character.
Then, explain why I shouldn't be respected, as you should when meeting people for the first time
Mi Jae's pride has been hurt
I've come to learn that all human beings should be respected from birth.
I don't know the meaning of respect.
THUD
S-So, that was it?
I guess I can forgive her, if she said that on a whim...

Those shoes that you're wearing are that girl's from earlier, right?
Why don't we start by returning those to that girl?
Since her dad's from the country, he might not be very educated.
...maybe I struck a soft spot...
It's not good to steal from others.
If you don't know something, you can learn it. First.

It seems like she understands me I guess she isn't so bad after all
CHUCK
Now take off your shoes.
Ehhhh...? Wha??
Well... I guess I can't let her go barefoot.

Here, I'll let you borrow them, so go and return the other shoes.
I said not to wear them like that! It's plenty big enough, even for me!
Once these shoes are in my hands, they're mine, and I'll wear them any way I want.
YOURS? WITH WHO'S PERMISSION?!
THOSE ARE THE FIRST SHOES THAT I EVER BOUGHT WITH MY OWN MONEY FROM PART-TIME WORK!
Huh? Why're you going that way? The owner of those shoes is in the other direction.
But those are expensive shoes... so don't wear'em like slippers

note: this manhwa reads left to right

If you want to return it, then you return it.
Why me?
Unbelievable, a person like her exists. She was practically a show stopper when I met her, and now that I'm more informed, she's a disaster! Damn it! I'll go return it to her!
STOMP STOMP
swoosh
Eehhhhh~!! What do you mean Heu-Reum told you to return my shoes?
Why not? Aren't they yours?
I don't want it. There's no way I will take it.
Wait! You've got to take these.
That's enough. Stop Following me. You said you wanted to see me earlier.
Don't tell me... You're no longer planning on going to Seoul anymore, but you'll be staying here?
Seeing as how you're wounded about it, I think I just went to leave the shoes here and go as planned
Ah! You can't! You have to take them!

You'll have to take them in order for me to leave.
grasp
I'll take them then. Hurry up and leave.
What the...hell? Really, who's the weird one here? Wouldn't it be humiliating if she came along?
There's no way I could end up like that.
Mirror mirror in this world, who's the most handsome of them all?
you are, master
There is no way that a narcissist like Go Eum Yo would care about what others are doing.
Ah, yes, there's Yo Han.
He is a playboy, but a defect can't get along with another defect! I'll soon make him meet his match.

It's not only the girl from earlier who's weird.
So that boy is our savior. He's good looking. He's an angel, an angel.
Shh! They might hear you.
The ruined Gangwondoo is now going to be brought to life again. Hurray! Hurray!
She's really going to leave for Seoul? I feel sorry for the citizens in Seoul, but we're really fortunate.
The terrible Hureum is leaving, and the flood disaster is over. From now on, I think there will only be good things in our village.
How the heck did she survive... I'm really worried about sweet Hureum
VRRROOOOMMM
YAAY!
OK
OK

HMR
HTTP://HWANGMOI.TK

So anyway,
Is Kang Hureum your real name? Or an assumed name?
Real.
Your name is quite unusual.
Don't become interested in me, I already have someone in mind.
Wake up. Who would want you...

So this ty. of girl can also like someone.
Even though I don't know who this chosen one is, I feel so sorry for him that I went to cry
already adapted to the people in the village.
Finally... I've arrived in Seoul.
It's been ten years.

I didn't know how much I longed for this place
DAZE
COUGH COUGH
Is the air in Seoul is much more different than in Gangwondoo? The air pollution is serious.
It doesn't matter
Will you stop the car for a moment please. Driver!
Why?
You can walk from here.
Kick
I have to go somewhere.

Hey!
What's this kind of treatment?
DROP
ouch!
Drive please.
VROOOMMM
It's impossible to walk home from here.
Dammit - ...if you are going to leave, at least give me my shoes and bag.

HMR
HTTP://MWANGMOI.TK

swish
My bag.
VROOOMMMM
I've taken some of your money from your wallet. And your mobilephone.
Wha.. What's this? Hey - You Stop there right now- Hey

Who do you think you are to just take out my money?
Kang Hureum~ where is that car going?
He's good looking but why is he jumping and yelling making a disturbance
Probably gone insane.
GLANCE
YOU'LL PAY FOR THIS, KANG HUREUM!
으드득~

So she thinks the tricks she used in Gangwondoo will work in Seoul... No... More precisely, those tricks might always have worked on other people. But I'll show her it will never work on a guy like me, Eun Min Jae.
You... You messed with the wrong guy.
You grew up in a pure area, but still you are rotten from head to toe I'll surely make you into a good student

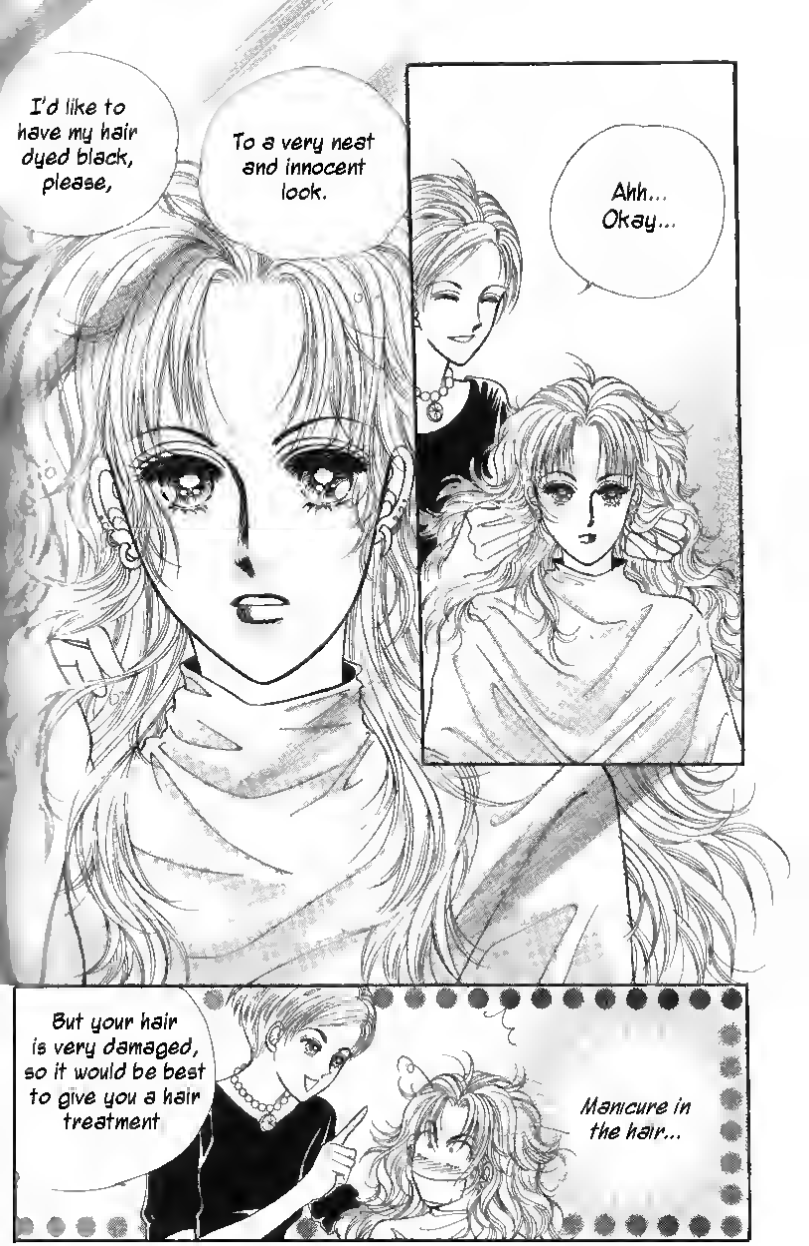
Eun Minjae!
What's with this your appearance?
Where's your newly bought shoes?
How did plastic bags become shoes?
Plus, the simple and honest girl you should have picked up isn't beside you.

Nonsense. I thought I'd die walking all the way home.
Simple -hearted?
PIOP
Because I'm too absent -minded and got tricked
What happened to the car I lent you with the driver? Why did you walk home ?
When she was leaving, the whole village welcomed me with open arms, crying with happiness. I should have noticed something was wrong
Totally a low class female gangster...

Be prepared, Go Eumpeul! From now on, we have to get along with that delinquent girl.
It doesn't matter.
Whether she's ugly or beautiful, an exemplary student or a disorderly student...
Since... I don't have interest in anyone other than my own beautiful self
That girl, she's probably more interested in your money than in your looks.

Don't merely compare my beauty with money
That's defilement of my beauty
..Hey Eum Pyo! I assure you, don't show that you have money. The second she finds out that you're a financial clerk's son, you'll be an easy victim.
Is she blind? When she sees me, she'll be crazy about me Who dares to trick me?
You're only saying that because you haven't met her Like you're blessed with your beauty and money but --- Her talent is stealing From others and having a shameful conscience that doesn't know it's wrong to steal
So? I'm different From you She probably only met easy-to-trick guys like you.

JOJUN HAIR
hair
I bought new shoes
and new clothes.
Now it's time to change this bleached hair.



I'd like to have my hair dyed black, please,
To a very neat and innocent look.
Ahh... Okay...
But your hair is very damaged, so it would be best to give you a hair treatment
Manicure in the hair...

Note: The haircure [hair treatment] is the same word in korean as in manicure, so Hu Reum assumes it's the "normal" manicure.

*onnee, what girls call other girls who are older then them

Since I've breathed Seoul's air, I wanted to change to a better person...But this hairdresser (onnee*) is driving me crazy.
You're kidding me. Just because I'm from the Gangwondoo countryside?
Hey! Onnee... Do I look that stupid to let you give my hair a manicure?
Yes. No... Customer... Why...
Don't even think about fooling me and give me a proper innocent, sleek, protection instinct awakening look.
덜컥!

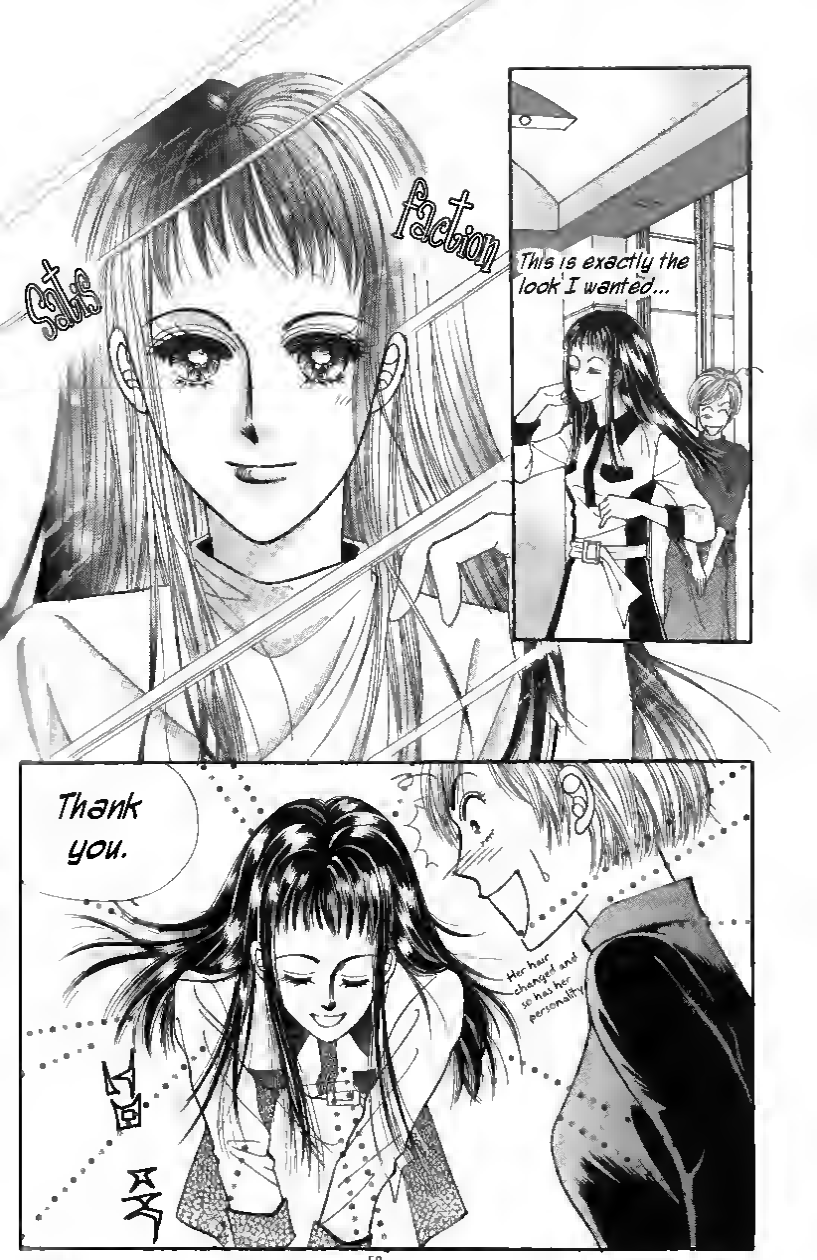
Well, you do seem like one from the countryside.
Where's the bastard? So boldly...
How much is it for dyeing, a hair treatment and straightening the hair?
With a D.C, I can give it to you for 18000 Won ($15.60 USD) since you're a regular customer...
I'll come back next time, so only a trim please.

HMR
HTTP://HWANGMOI.TK

So. It wasn't a manicure for your nails?
Even though I lived in Gangwondo, and was the most elegant... didn't know that...
Tsh! You can really see that that guy has always cared for his hair. Next to him, I really do feel farmlike.
The dyeing is finished.
Wha... What's this? The color is black, but because my hair is wild, the innocent feel isn't there.
AI AI
That's because... Your hair... was in a really damaged condition.
That's why we suggested hair treatment.

Haircure or whatever, do something about it.
GRASP
How can I go to a reunion with this bombed looking hair...
Not rough, but make it sparkle and shine.
I'm leaving. It must be hard, there are still customers who just can't understand their looks and only asks the hairdresser to do magic...
We're glad we have some understanding customers
That guy's provoking again
I'll have to hope you improve soon. Even though beauty is a long ways away...

I'M ONLY LETTING YOU GO BECAUSE I DON'T HAVE TIME.
That customer sure looks good every time I see him my heart starts jumping...
I'm in love, you too...?
Kyaa~
Stop screaming and do my hair properly. If it looks like a bombed nest again, then I'll make your salon look the same.
This customer is way too scary. Even though she looks young, you can totally tell that she's already lived a wild life.
She was so scary to the point where I ended up putting in my best effort.
Even when he looks at her, this is a shocking fraud...!!



HMR
HTTP://HWANGMIRI.TK

Oh... Where did the driver go?
don don

Oh well I told him to come back after two hours I thought getting my hair done would take longer
I've got 30 minutes left.

... Then ...
I'll just go explore Seoul's night life.

end of chapter 2!
SFX: GRASP
special thanks to HAN!
YOU NEED TO ACCEPT IT FOR ME TO LEAVE.
HAN WAS BORED
I'LL ACCEPT IT, JUST LEAVE ALREADY!
WHAT THE..HELL! REALLY, WHO IS THE WEIRD ONE HERE? WON'T WE BE HUMILIATATED IF WE TAG HIM(OR HER) ALONG?
THERE'S NOWAY I COULD END UP LIKE THAT.
MIRROR, MIRROR! WHO'S THE HANDSOMEST OF THEM ALL?
IT'S YOU.
THERE IS NOWAY THAT A NARCIST LIKE GO UEMPYO WOULD CARE ABOUT WHAT OTHERS ARE DOING

The night streets are
with the brilliant lights.
The streets are
crowded with people
and many cars.
BEEP
BEEP

I'm finally back
The city where the air is filled with the scent of people living
Seoul.
You have no idea how much I missed you.
I had to leave this place just when I was about to become 6

Mom was weak, so we moved to Gangwondoo, where there was clean air.
No matter how many times I cried and became stubborn, I wasn't able to get through to my parents.
My dad, who would listen to whatever I asked, seemed like a completely different person then.

When I grew up, I found out why dad had been so stubborn about it.
I thought that mom just had a weak body. I had no idea that she had received a diagnosis of stomach cancer, and that she only had 6 months left to live.
Whether it was dad's love and care, or it was the fresh air of Gangwondoo, mom lived for not 6 months, but 6 years more, and passed away in dad's arms, with a smile.

After mom died... I kept begging dad to move back to Seoul,
Dad, who already loved Gangwondoo, and felt happiness with nature, would not be persuaded.
Dad gathered all sorts of ideas to treat mom, studying like Hu-Jun. From reading an odd collection of books, Dad had suddenly become some kind of Asian philosopher.
Dad, what are you? A monk?
EVEN IF YOU HAVE READ THIS BOOK A HUNDRED TIMES, IT COULDN'T SAVE MOM. LET'S MOVE.
Let's just live here, the air is nice. I want to continue my studies, and I also cannot leave this place, where your mom is buried.

Trans. Note: Hu-Jun was a very good, famous doctor at the royal court back in the old days of Korea. So basically he studied his @$$ off.

Dad, are you thinking only about yourself?
I hate this place.
I hated this place from the start and I still hate it,
I'm sick of crying at the thought of dead mom.
If we don't move, I'll just annoy you each and every day, and I'll keep fighting, so watch out!

You were doing that since the day we moved here. So abrupt.
I'm fine, even if you are a troublemaker. Just keep growing up big and strong.
Dad, you idiot - !!
RUB
I'm really gonna become a delinquent girl!
Hahaha! I'm fine with it as long as you're healthy.
And also... my daughter has grown up with love, so she cannot become a real delinquent girl.

Love?
What love?
Let's move! Come on, let's move!
You don't even know what it's like...
Dad, if you don't wanna go, then at least send me to uncle's house.
You want us to be a separated family? Your mom isn't here, and how do you expect me to live with you gone?
NO.
Then, let's move!
We can't move either.
Y... you... stupid stubborn dad.

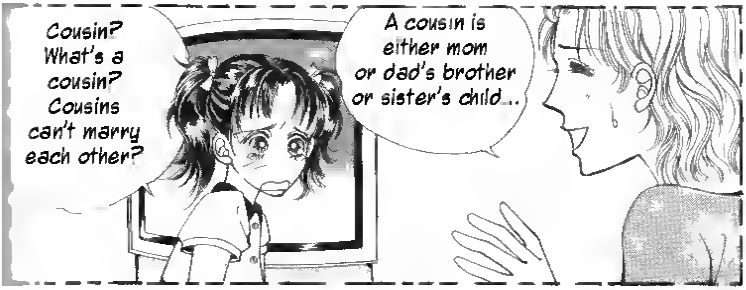
Then until you say I can go back, I'll keep annoying dad and everyone else.
I'll get kicked out of this village.
If you fool around, I'll just repay the villagers twice, so go ahead and play as much as you want.
WATCH OUT. Let's see who'll win.
If we move back to Seoul, I'll go back to being a nice daughter.
퍽 퍽 퍽!
...Hahaha! I have no problem. I'm glad you've grown up strong with nature's spirit...

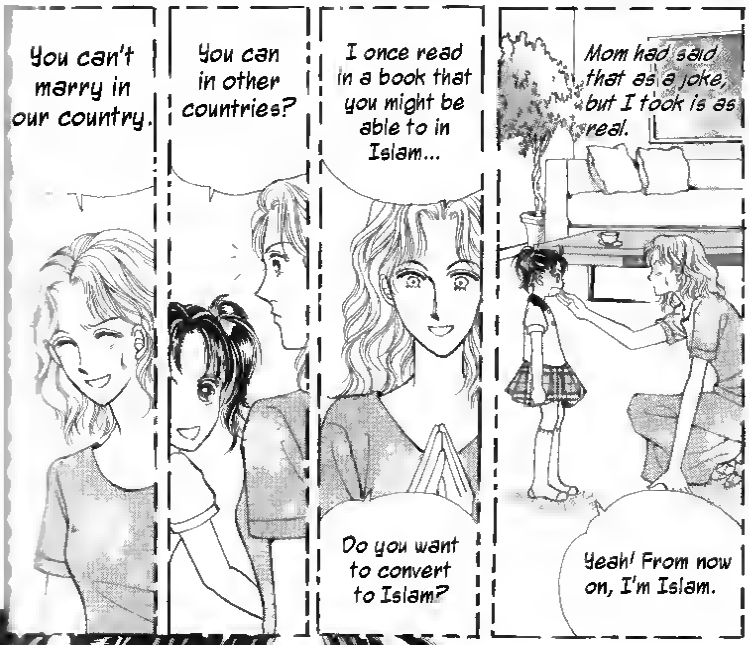
Dad doesn't know.
No... more specifically,
I can't tell anyone.
No... no one knows.
That even I had a first love...
That was forbidden...

The same age as me, just a few months ahead- my cousin...
Mom... turn that video on for me.
You want to see that video again?
Mm-hmm...I wanna see it everyday.
Hoo...are you that proud of the video mom sent in to a broadcaster and won a prize?
CLACK

No... mom...it's not because I'm proud of you winning the first prize for sending this in.
It's because in that video, the 5 year old me and oppa are there.
I wanna get married to that oppa, mom.
SCOOT
I think I'd be really happy.
But you're cousins.

Note: Oppa is a term used by girls in Korea to refer to an older guy they like, or their older brother.





You can't marry in our country.
You can in other countries?
I once read in a book that you might be able to in Islam...
Do you want to convert to Islam?
Mom had said that as a joke, but I took is as real.
Yeah! From now on, I'm Islam.

I still don't know what Islam is.

But I'm still Islam.

editor's note: just in case you didn't know, Islam is the religion, you would call yourself Muslim if you followed Islam.

Mom was the only one who heard my confession, but mom, of course, didn't really believe me
But...
In that video, there's me, cute and lovable
And the instant he saw that I couldn't cross the water with my short legs.
He had kneeled down and became my bridge. I love my oppa so much.

HTTP://HWANGMIRI.TK

We went to the same pre-school for a while, and not knowing that we were cousins, the kids made fun of us every day, saying that we were going out
Even the bathroom graffiti was about us two doing this and that
Even if we were the same age, I still called my cousin oppa, and when I was with him, I was a nice little girl, not rough at all
But when oppa wasn't there to take care of me, I became totally different.
I felt uncomfortable, and wanted to be by his side again. When kids looked at me curiously, I took that as offensive.
Kids' Fights are First! If it looks like someone's gonna bother you, then attack them first.
It seems like I didn't wanna give attention to some of the Gangwondoo kids, so I may have hit them first.

The one I believed was from a childhood love. I will meet him soon.
I wonder how he has changed, after 10 years?
I only remember that young image from the video, but I really wanted to meet him.
Uncle had asked for someone else than his son...
I wanted to see him after I went to the hair salon.
But if we meet again, will we still like each other? Even if we like each other, it's still a problem...
heartbeat

BEEP
BEEP
I wonder what's on the other side?
Seoul has really changed.
LOUD NOISE
It's a flood of people

This is really dangerous...
What? He's stretching out his hand.

SHAAAK
He was after the old lady's wallet.
slip out
A pickpocket .....?!!
Fool...
He takes her wallet and doesn't even give her a second glance... he even made fun of her. He has to be punished.

Huh? He handed the stolen wallet over to the guy behind him.
That guy wearing the suit is again handing it over to the guy on his right...
SHIK
SHIK
Now I see, it's not just one, but a gang of pickpockets.

I've counted 3 people...
Are these guys all on the same side?
I haven't grown up to be nice either...I don't need to be some girl of justice. But would I have known it if it was my money? I'll just pretend to have not seen it. That old lady just has bad luck. Life is lived thin and long.

My hard-styled hair will get tangled
This isn't Gangwondoo
I'm someone who's about to meet her first love, a.k.a my cousin.
bump
That idiot actually dropped his wallet.

Ah... I'm sorry. I'll get it.
It...it's ok... walk straight. What's with this whole bumping into me thing?
Here...
Huh? It's a woman's wallet...
I said it was ok.
Now gimme it.

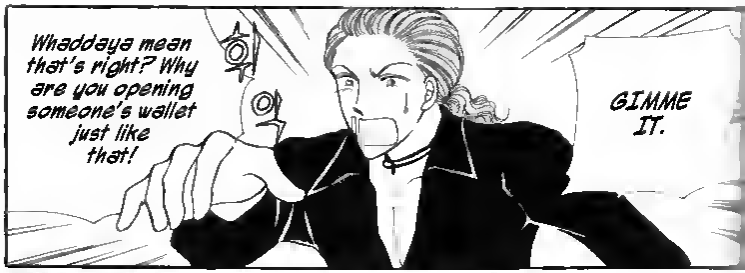
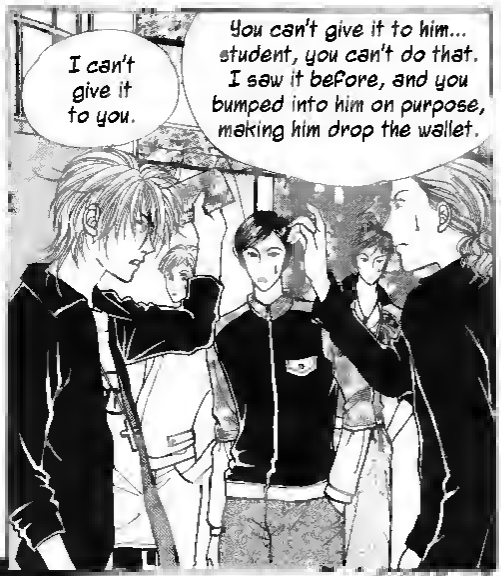
...you're right.

*won = Korean currency





I can't give it to you.
You can't give it to him... student, you can't do that. I saw it before, and you bumped into him on purpose, making him drop the wallet.

STEALING AND PUTTING A KNIFE TO A PERSON
AND ATTEMPTING MURDER GOES AGAINST THE TEN COMMANDMENTS!
Wh..Where did this Ten Commandments talk come from?
Or
Or

REPENT.
컹!
Regardless for
life being so young!

Here is your wallet back.
Thank you, young man!
...What was that?
I just felt something...

Maybe I will change my religion
From Islam to Catholic
I don't know how he was brought up...

But whoever is receiving his love will definitely be happy, since he is so supportive.
IT'S NOT OVER YET!
But.... that person is totally opposite from him.
To put his nose where it doesn't belong, his girlfriend must suffer.
The one on the left is an accomplice.

But I feel that it will be all right even if I suffer.
But leave this one to me.
Maybe we should be 1% Hero Couple?
He would never to go to a different country to marry between cousins.
I don't even know Islam that well!
I could just live in my own country since he's not a cousin.
This could be more troublesome.

ONE TWO!
I GOT DIBS ON YOU FIRST, I WANT TO HAVE YOU...
TH
No
This bitch....

Behind you! Be careful.
Ah! There were 3.
You helped me twice already.
I'll take care of this side
YO\O\O
Idiots.... pickpocketing as soon as they get released from jail...

Thank you for your help.
You're going to end with just talk?
What?
Go out with me if you are that grateful.
황당

Maybe I am afraid to fall in love with my cousin again.

Being afraid as much as I

to see him.

But to ask out a complete stranger like this...

Well...
I thought I'd never love somebody else!
Such... relief
I don't want to let it go.
Hweyoon!
Let's go.

I'm sorry. I appreciate you approving my boyfriend, but will you not try to steal him from me?
Hweyoon and I are already going out...
Let's go.
Girls drool over you already even if you don't do anything. Why did you have to go and show off? Do you know how scared I was?
Pft! What is this
He was already going out with someone

But I won't give up someone my heart has chosen
HUH?
I wanted to love my cousin, no way this could hold me back.
Ah... the ride's here.
Wow, you must be really rich!
Haha! Rich... you think driving a foreign car makes me rich? Cars only cost a few grand...
Call my cell if you want to go on a drive again.

Really?
Of course. If I didn't have urgent contract to sign, our date would have been longer and I would have driven you home, too.
That's all right, business comes first
I'll be waiting for your call, Mr. Bachelor!
Hahaha! Sure!
Y..You...have gotten....pretty.
It's OK. You don't have to kiss my butt.
I love men with weakness. It's all right for a married man to pretend to be single
Hi

Is there a rule that says you can't be a businessman just because you're my driver? It wasn't a lie, you were talking about your future career.
Also, is it so bad to go for a drive with a teenage girl? You weren't trying to go out with her....
P..Please... Keep this a secret.
Sure. We gotta help each other. Please follow that young man without being discovered
Huh? Who?

That male student.
That's Hweyoon.
You know him?
Of course.
Our destination is his home.
W..What are you talking about?
You should know, you're cousins. He's the priest's son. Your uncle's son.

H...H...How could this....
I thought there would be no more forbidden love after meeting him....
Th...That's why...I felt something in my heart...
He was my first love... My heart recognized him before I did.

My heart responded to the same person.
sigh...
Should I cry?
Or should I laugh?
Aha... Ha...Ha...Ha
H...Hey... What's wrong all of a sudden? Feeling all right?

What were you doing out of the blue?
Crossing arms and telling her that we're going out?
Seemed like you were embarrassed.
You know you can't say anything mean.
I rescued you since you can't say no.... Did you really want to go out with her?
...You only just met her, you can't want to go out with her already...

But... It doesn't feel right to not thank someone who helped me.
Don't go.
Do you think a Tae Kwon Do expert like you would've needed help from someone like her?
Isn't it weird to go out with someone you just met?
People like that will use innocent souls like you.
I just can't.
Oh

Sigh ...That dummy....really...
What's he gonna do? He can't be thinking of going out with her
Wait for me-
What?
What do I do?
Aren't you going to get in?
If I go to my uncle's house!

I may have thrown myself into an inescapable swamp
I finally saw the person I wanted to see...That's enough...Should I go back home?
Things may not be the same if we live together
It's all right for now. For now...

I can run away. Before this feeling gets any bigger... Before I fall in love....Before it goes deeper...
Ah...Wait.
My crazy heart! It's acting up again.
Um... I can't go out with you... but will you accept this?
I want to thank you, but this is all I have.

God will always be with you.
Then...
Dummy!
Because of this small kindness..... I don't want to go back.

It may already be too late.
I already hate seeing him walk away from me...
I don't want to be apart... yes! Why should I run?
Since when was I such a coward?
...There's no guarantee that I will fall in love. Even if he has a cute smile...I'm sure there will be more things I hate about him once we live together
끄덕

He might pick his nose
He probably farts all over the place..
Yes!
I need to live with him to get rid of this feeling.
No medicine for love like the person you love
I might love him more if I leave now.
If I run away now, I won't be able to get rid of this love.
I will see the truth... and break it

I will accept it since it's a gift, but
I am Islam.
Well, I decided not to switch religions.
Ah...
It's not every day you meet an Islam in this country. He's the son of a priest. Even your religions don't match. It's going to be to be hard for you two to go out. Let's go
Who is this bitch? She should mind her own business.
Get in the car. We're going in the same direction.

What's taking them so long?
I'm falling asleep.
If she is that unique,
we gotta see her before going to bed.

You want to see her because she's a girl. I'm not all that curious.
Haha! You were waiting for her this late, too. You seem curious enough for me...
...That's because...
Minjae's been had by her. That's why I'm curious.
I haven't been "had". I just let my guard down.
That's why she took your shoes and money? She must be some kind of girl.

Yo Han...!! I'm leaving it to you. It's your job to get rid of the rejects of society.
Of course it's my job if she's beautiful.
I didn't say she was beautiful.
That's all right. If the face ain't great, just her body has to be sexy.
She's far from sexy...
It's not sports, it's brawling...
What...? You said that she's athletic? Then... is she at least "equipped?"
Well, untrained wildness is good, too. What would you know about girls? You don't know what's pretty or sexy.

And.... All girls are pretty. And any woman will turn into a sexy beauty once I'm done with her. Not that a virgin like you would know...
Talking about that at your age is the problem. Who do you think you're making fun of.
She's also your cousin.
Do you have something called a conscience?
I am Yo Han, a lump of lust. Why are you wasting your breath asking me that?
Pft! How boring. The girl I was waiting for is my cousin? Well, I will go with my basic instincts anyway if she's my type.

Instinct? Can you say that as a human being? You animal! Change your name first.
I don't like my name either.
Minjae... Maybe you like her?
Goumpyo! Just go back to looking in the mirror. I don't need you to make fun of me, too.
But it's still suspicious.
A cheapskate like you gives away their shoes and money... and being afraid that Yo Han might make moves on her.

Look at her and decide for yourself. My standards aren't so low as to go for a 3rd class girl like her.
And the reason I'm mad is because he's saying nonsensical things.
So... it's not really your business. It's not like you've never seen this before.
Since when does Yo Han say nonsensical things?
Mmm... A man should put his actions before his words.
We're not complimenting you.
I am not complimenting you.
Go Eum Pyo! It's only you that only cares about himself. I'm not like that.
I value friendship and my duty as a human being.

Oh? The car's here.
Finally here. I want to see their reactions.
I'm excited I've never dated a wild girl before.
I told you, it's not just a girl....it's your cousin...
Choke! Let go of me!!
Let's see... What would she have to look like for Minjae to act like that

달깍
흐기음!
What? It was you?
Huh? Why are you coming back in my car?
Hweyoon, it was you? Was she lost even riding a car? What's taking her so long?
실망이

Ah... You mean Hu Ruem.
Mal
I met up with her on the way here.
You came with her.... Let's see...

Geez, he's already blabbered about this? And who are these guys?
I knew Uncle was a priest, but was he letting an Angel stay at his house?
You wanted to keep our beautiful cousin to yourself.
Move it.... I see through your plot now, Eun Minjae....
What? I thought you said she was a carrot-top... You color blind? She's got black hair.
Doesn't look like a 3rd class delinquent who steals money and shoes.

Welcome.
I've been waiting. I wanted to see you, cousin...
What... What is this oily, greasy feeling?
Ugh! He is... Th...The narcissist from the salon.
Fortunately he doesn't recognize me but
What did you say just now? Cousin...? You said cousin...
Why are you and I cousins?

Wait a second...
Are you that country girl from the salon?
Salon...?
So you stole my money and left for me to die in the streets to go to a salon.
윽!

Stealing money, what are you talking about?
Need to hide the truth I can't ruin my image in front of my first love
STEAL?
You lent me that money because you thought I looked poor, how could you say that?
What?
When did I ever
The driver is here, ask him.
...She's right. You lent her the money.

I knew it
I didn't think anyone could steal money from you... pretty sneaky, Eun Minjae!
You stole my shoes, too...
You lent me your shoes because I didn't have any... I was going to wash them and return them.
What's with the tears and acting all innocent?
...When did I lend you my shoes. You were trying to steal someone else's shoes.
For a boy... you sure talk a lot...
I will make you regret this.
So I tried to stop you but you stole my shoes instead.

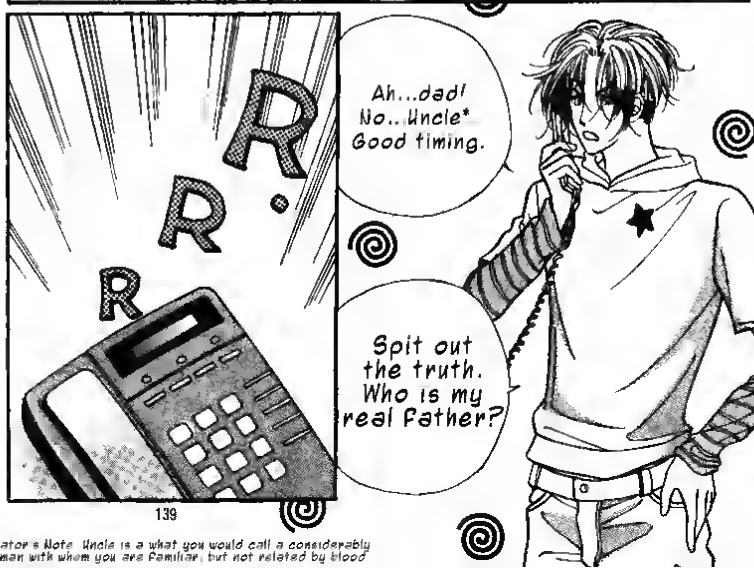
That's terrible. I was so grateful for your kindness earlier...but it was only to make me look bad...
They were a gift from a friend. They said all those words because I wanted to go despite their wishes for me not to go.
It's because you don't know the traditions of my village...
So you are saying that you were actually popular?
Who's going to believe that?

So that's why everyone cheered when you left.
Stop it, Eun Minjae!
Mol
Why are you making my cousin cry?
This joke is going too far.
You think I'm joking?
Don't let your guard down. She will deceive you, too.

I'll pay you the money Hureum borrowed.
Sniff... Oppa...
...Hureum.. Don't feel too badly about it. His jokes always go too far..
...I believe Minjae.
...I'll look even more like the bad guy if you take my side so go away.
I don't care.
But.. It's boring that she's so plain.
But you were trying mighty hard at the salon to look good for somebody

Was that somebody my twin brother, Kang Hweyoon?
The way you seem to want to look good gives that away.
What? T... Twins...
Twins...? I wanted to ask because it was strange, but I was distracted...
I only have one cousin, I'm sure of it.

You guys...
weren't twins?
We are non-identical twins... You must be mistaken
No... She might be right... There was always a difference in treatment between him and me. So that's what's going on.



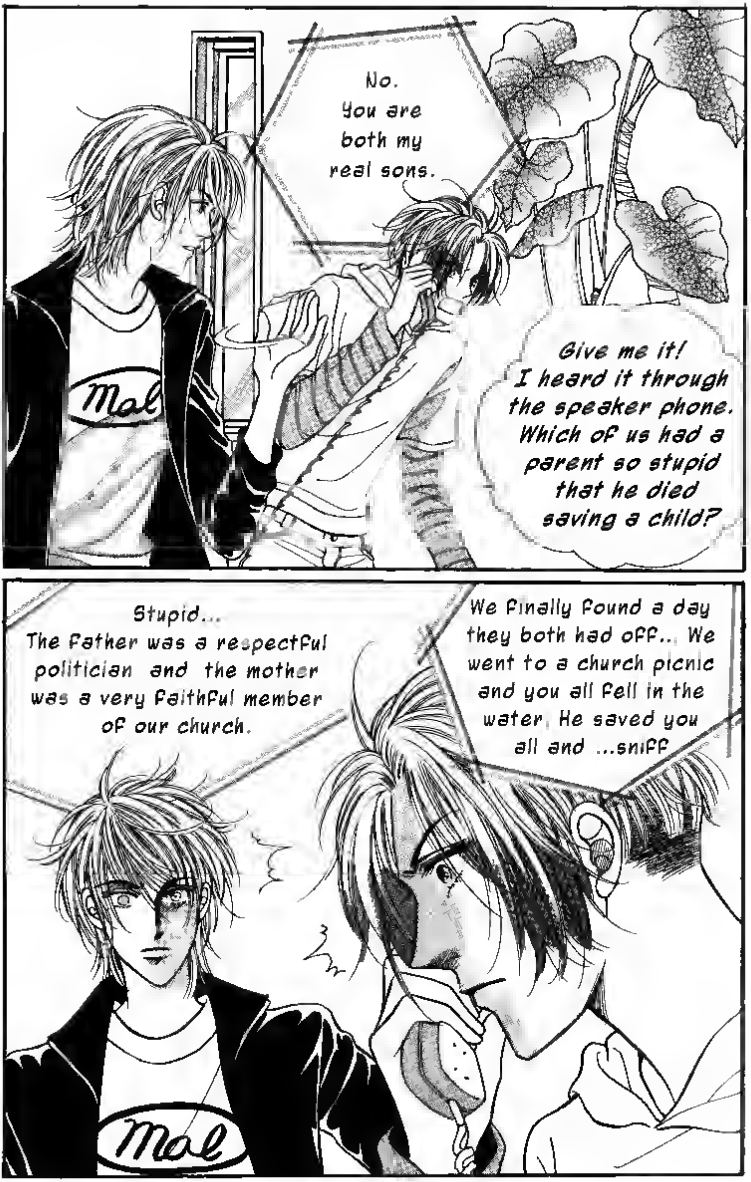
*Translator's Note: Uncle is a what you would call a considerably older man with whom you are familiar, but not related by blood

Go to bed if you're tired. Don't make jokes over an international phone call... I assume Hureum made it there all right. Let me talk to her.
Kang Hureum is her real name?
Here's the phone! It's your uncle
Hureum...
Uncle! What is going on?
I thought you only had one son

Wh... What are you talking about? I have two sons... Haha!
Don't lie to me. I remember it all, when I was young...
There was only one person I played with till I was five,
Mom said so too when I watched the video. Both families had only one child,
That's why we two were to close.
Who is the real son...?

You must have heard wrong because you were so young. You couldn't tell the difference if they switched places... I...I am hanging up now.
Can you swear it in front of God?
Sigh...then please keep this to yourself.
.....
click
One of them is my real son.

I don't want to hear the story, I want to know who the real son is, I...
And the other one is the son of a person who died saving my son from drowning
We want to hear the story.
Give it to me
Father! Please tell us.
Which of us is not the real son?



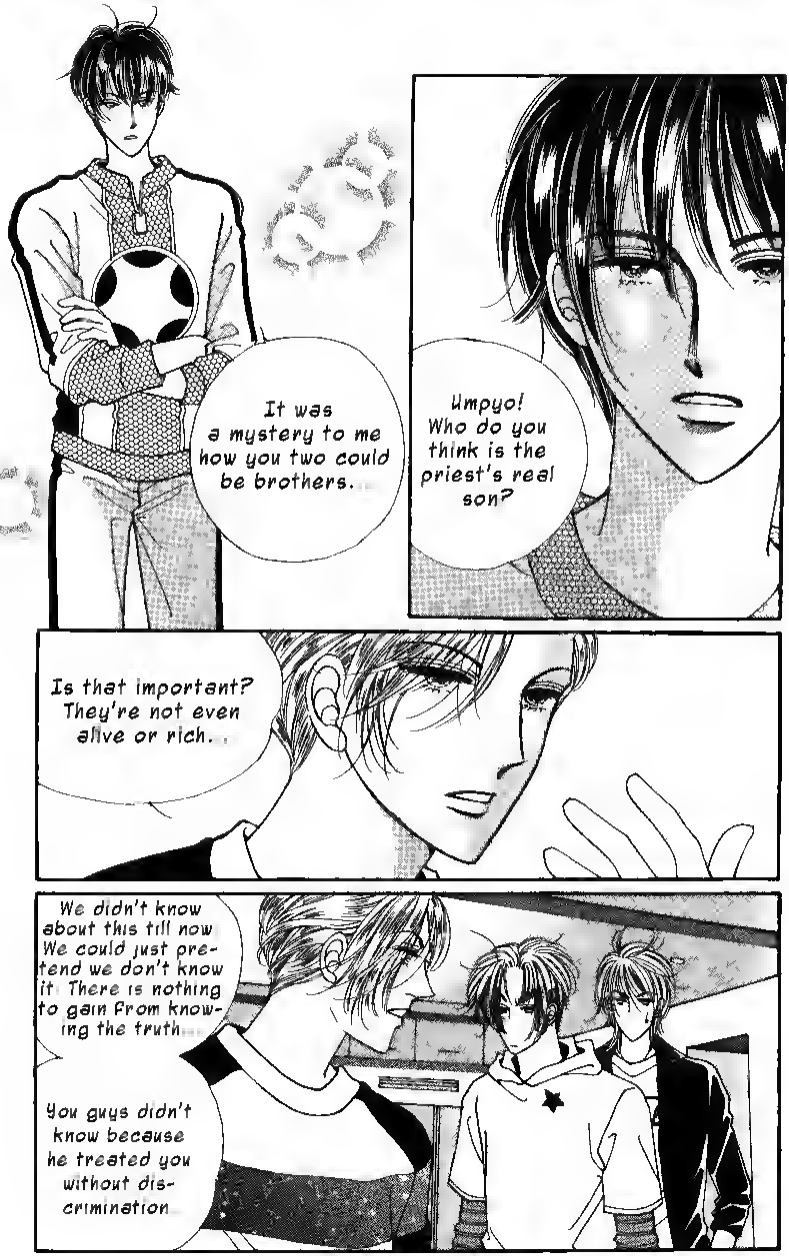
No.
You are both my real sons.
Give me it! I heard it through the speaker phone. Which of us had a parent so stupid that he died saving a child?
Stupid... The father was a respectful politician and the mother was a very faithful member of our church.
We finally found a day they both had off... We went to a church picnic and you all fell in the water. He saved you all and ...sniff

So who is the real son.
I'm not telling you even if I die.
I will take that secret with me to the grave
You guys lost your memory due to shock. I decided to accept that as God's will.
Tell us the truth!
To be honest even I don't know. I forgot while raising you all. It looks like I may have to do more missionary work here.

I won't be able to answer even if you call. I will leave your cousin Hureum to your hands.
Father- No...Uncle.
Beep Beep
It's obvious I'm the adopted son. He's always treated you better than me ..
Idiot! That's why you're the real son.

What?
That's why he scolded me if I don't call you older brother even though we're twins
Doesn't the fact that you were more comfortable make you the real son?
You didn't want to be a priest's son, either?
I thought you were faithful so you had no problems with it.
I didn't like it because it got in the way of my "freedom" while dating...
When will that lust devil distinguish between vulgar and freedom
...Either way, looking at his personality and faith. Hweyoon seems to be the real son.

HMR
http://huangmei.tk



It was a mystery to me how you two could be brothers.
Umpyo! Who do you think is the priest's real son?
Is that important? They're not even alive or rich.
We didn't know about this till now. We could just pretend we don't know it. There is nothing to gain from knowing the truth.
You guys didn't know because he treated you without discrimination.

I'm telling you that he treated me differently..
Anyone would treat you the same way if they had you as a son..
I'm not done yet.
If we're still curious, I have an opinion.
...this lust devil is the real son.
You see a lot of problem children who are priest's sons or daughters.
All right, all right. I'm not even that curious.
As you said, we aren't going to get any inheritance from them.. No need to know.

How about you?
I . feel the same way

It's not going to make a difference now,
I think it's better if we don't know

No!
Why?
I have to know.

Because...
I... can't tell them that.
That my first love was my cousin.
Because..
I need to know which one is the real son
Show me your pictures,

HMR
http://huangmei.tk

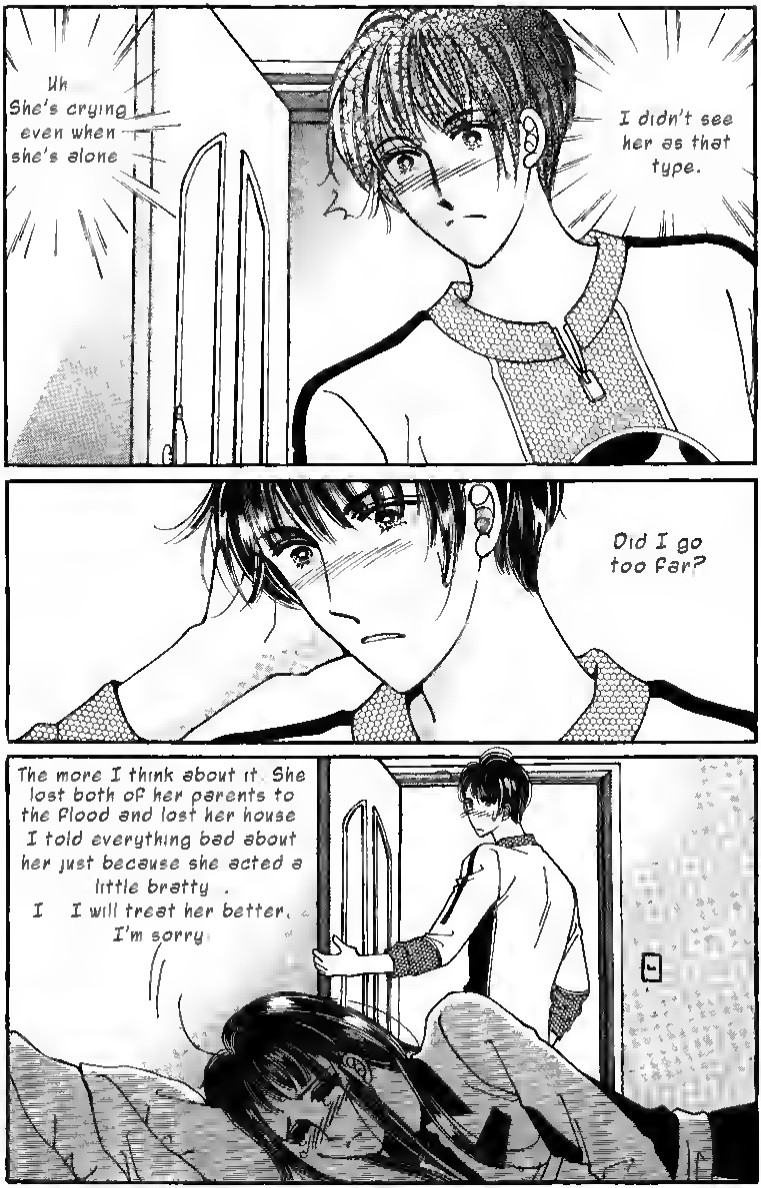
Pictures when we were young?
We don't have any.
Our house burned down when we were 11.
There really was a fire?
He might have burned them to get rid of evidence.
I have a devious uncle.
Aren't you the weird one?

We don't really want to know and we don't care. Why are you obsessing over it?
Yeah, Hureum... We will both treat you like a real cousin. Don't worry.
I don't care which of us is the real son. We are forever brothers.
So you are our cousin.
My feelings... tell me it's this one. From the kindness in the video and reaction from my heart.

Soft, Kind and Gentle He's exactly the way I thought he'd grow up to be
Use this room.
The bathroom's next door. Tell me if there's anything you need, all right?
But...
...I wish it weren't so
I wish he were my cousin...
what are you looking at, country girl? who do you think you're trying to impress? show your true face

I take that BACK
My first love couldn't possibly grow up to be that type
.....
I'm going to bed.
I don't want my first love to be that!
But.. if he is my cousin.

I don't want either to be the truth no matter how much I think
Hey... when are you going to return my money and sh...
My feelings tell me that Hweyoon is my cousin
Idiot! Idiot!
Why didn't I remember his name? I only know him as "cousin"
Which one is my cousin? Why do they look so similar if they're not related? I don't know because they are both good-looking



Uh
She's crying even when she's alone
I didn't see her as that type.
Did I go too far?
The more I think about it. She lost both of her parents to the flood and lost her house
I told everything bad about her just because she acted a little bratty .
I I will treat her better. I'm sorry.

3 March
We start high school today. How late are you going to sleep in?
It's already been half a year since I lived here

I managed to change my image to an innocent student. But my feelings were the problem.
We're going to leave you here.
Do whatever you want.

Umpyo is here.
...Where is Yo Han?
He won't wake up.
I'll go wake him up.
My feelings grew more instead of diminishing while living together.
Leave him. It will become a habit... Let's go.
Ah...But...

What are you guys doing here?
I wanted to walk alone with him
Minjae wanted to do something special for your first day.
We came to pick you up and you treat us this way.
Where's Yo Han?
...In the dream-land. You don't think he can find the school? He's in kindergarten..

I was concerned.
I told you we should just leave.
So...Without mercy... You just left him there?
Kang Hweyoon, you're abandoning your only brother just because you found yourself a girl cousin?
You two were so close before...
Blabbermouth! Don't put your nose in other people's affairs.
Ppt! Blabbermouth...
You still haven't forgotten that? Why can't you just forget it? I treated you so well afterwards.
Oh yeah, you said you were Islam, right?

A Korean-Arab is transferring to our school.
I'll introduce you, he's staying at my house since he's the son of my dad's friend.
No thanks,
I'm not interested.
He's filthy rich... son of an oil tycoon.
Wow, I'm jealous, Kang Hureum!! I should get on your good side You think you might become his wife?
Then introduce him to this money-grabber What do you think? Hweyoon?
Different religions... Think he'll go for it?
